

"Give thanks to the LORD, for he is Good. His love endures forever.

Psalm 136:1

Have you ever heard the words in above in red? They are great words! The amazing thing is that these words have been used in songs to praise God for thousands of years. Praising God means saying things to God that are true about Him. When we say things like: "God is good!" that is praising God, because God is good! We might say things like "God is loving" or "God is always there" and that is praising God, because those things are true about God. God is loving and God is always there.

His love endures forever. **Endure** means that something lasts. It means that it doesn't go away, no matter what. So, God's love lasts forever; it will be there forever. "Give thanks to the LORD, for he is good." The Bible says that we are to give thanks to God. We are to give thanks to God because He is good. And God is good, isn't He?

Tell someone or write down some of the good things God has given you? Ask someone to share with you what good things God has given them.

What holiday is coming soon? (Thanksgiving)

When we celebrate the holiday of Thanksgiving, we are setting aside a day to thank God for all the good things He has given to us. We can thank Him for things as simple as our pets or as big and wonderful as our salvation through His Son, Jesus Christ. We can thank Him for anything good that we have received, because the Bible tells us that He has given us every good and perfect gift.

Activity:

Write a prayer to share at you Thanksgiving Dinner. When you have your Thanksgiving Dinner, go around your table and ask everyone to share what they are thankful for this Thanksgiving Day.
