

It's Spring

Genesis 1:14

Then God said, “Let there be lights in the expanse of the heavens to separate the day from the night, and they shall serve as signs and for seasons, and for days and years;

Spring is in the air! In the book of Genesis, God talked about how he made the seasons and animals. God made the season of spring. When you see trees, bushes and branches sending forth their leaves, buds and flowers, what do they tell us?

They tell us of God. How can anyone live through the awakening of the spring season and not think daily thoughts of God. We think of God as the Creator. He made everything perfect in its own little way. He is such a wonderful God that created all things.

Spring tells us of God's Love. He, the loving Father of all people, makes blessed provision for the care and nurture of his children. He reminds us each year, in seedtime and harvest, of his boundless love. His love never fails. There have been many hundreds of years in the history of the world, yet each year has had its spring, its seedtime, and its resurrection. Be sure to let God's spring time speak to you.

Next time you are outside look at all the beauty around you and tell God how amazing he is for creating all the cool things you see. Keep in mind that it is our job to take care of God's creation too. So, be sure to do your part. Spring is great time to remind us just how powerful and amazing our God is.

Prayer

Dear God,

Thank You for this day! Thank You for the birds and the animals, the flowers and the trees. Thank You for creating everything we see! Thank You for the life we live, and for making our world so beautiful. What an amazing God you are! In Jesus' Name, Amen

Activity: Take some time this spring season to plant some flowers or even a tree to add the beauty of God's creation.
