

Weekly News from Johnsville United Methodist Church

September 13, 2021

The first step to be taken in anything we wish to do is to seek divine assistance. To ask God to go with us and work with us, and to enter into such perfect spiritual harmony with God that we can feel His supreme power through and through—that is the first and most important, be it work pertaining to body, mind or soul.

~ Christian D. Larson

Today's Affirmation

I am living in harmony with God.

Prayer for Today

Dear God,

I am learning to include you in every aspect of my life,
to see your direction about each decision.

There is nothing I want to take care of on my own.

Express your harmony and perfection through me.

Direct my thoughts and actions.

My heart is open to you.

This is an incredible way to live!

Thank you, God

Amen
