

## Special as a Snowflake

When we look at snow we see individual snowflakes that are all uniquely made, but can make a big impact on the world when they stick together. Likewise, all children are made in the image of God and are special. You have been made in the image of Christ and that God created you to be a unique individual.

In your Bible read **Genesis 1:27: So God created mankind in his own image, in the image of God he created them; male and female he created them.** God is the Creator of the whole world. There is no end to the things that He can create. He can keep creating more and more things and will never run out of ideas. Human beings are His best creation because He also gave us the ability to think and create new things. We are all created in the image of God, but are very different.

When it snows, what do you see? What does the snow feel like? What does it smell like? Snow is made up of tiny snowflakes. No two snowflakes are exactly alike, just like no two people are exactly alike. God made them all unique just like we are unique. But look at what snow can do when all the little flakes stick together. Have you ever built a snowman or had a snowball fight? It takes millions of snowflakes to make those things happen.

Turn in your Bible to **1 Corinthians 12:27** and read: **Now you are the body of Christ, and each one of you is a part of it.**

When all the tiny snowflakes stick together they make a big snowstorm. When all of God's children stick together we make the Church. We can all do different jobs in the church because we are all different. God made you unique because He has a specific plan for your life and a specific job for you to do in the Church. What do you think you can do or you family could do together to minister to others in our church? Make a list and check off each thing as you do it. Once your list is complete talk about how it makes you feel to be a part of the church.

Every time that you see snow, remember that God made you special and has a plan for your life. You are a part of the church and only you can do the job that God has planned for you since He created you to do it. When we stick together we can do great things for the kingdom of God.

Prayer;

Dear Lord, thank you for making all of us different and special and in your image. Help us to always remember that we are special because of our differences. Show us what we can do to bring glory to your kingdom. Amen.
